RESOLUTION.—The Governor General in Council is pleased to comply with the above recommendation, but to observe that the occasion for punctuality in sending the annual establishment return to the Accountant General is as great as ever, and that although the penalty for delay is now withdrawn, yet it should be the duty of all officers drawing pay for establishment from Civil Treasuries to send this annual return to the Accountant General with their pay-abstracts for March as heretofore.

Ordered, that the foregoing Resolution be communicated to the Government of Madras for information and further orders, and to Accountant General, Madras, for information and guidance.

Ordered also, that the foregoing Resolution be communicated to the Comptroller General, and the other Accountants General, and Deputy Accountants General in independent charge, for information.
